**No issues indicated:** The reported odometer readings have a logical progression. There are no indications of manipulation. Unfortunately, we cannot guarantee this, so we always recommend critically questioning the odometer readings, e.g. on signs of wear, the number of oil changes, or the average kilometers driven per year.

## CARFAX Glossary

### 1-Owner vehicle

1-Owner vehicle has been only used by one owner and consequently comes with the advantage that only one owner is responsible for its use

### Number of records

A CARFAX record refers to a specific incidence and date in the history of the vehicle. Please note that the history of younger vehicles tends to have fewer entries. CARFAX continuously works on getting more data sources and historical information in order to enrich the report

### Quick Check

A snapshot of the information CARFAX has abstracted from our extensive database to determine whether a vehicle has been reported stolen, reported scrapped, publicly imported or ever used for non-personal purposes. This summary is based upon all the information supplied to CARFAX from various sources. Additional information about this vehicle, including these potential problems, may exist and may not have been reported to CARFAX.

**Vehicle reference**

User-provided value to identify the vehicle during the CARFAX Vehicle History Report retrieval process and to confirm vehicle identity on the report itself.

# How to use this report

This history is based on data reported to us and available upon request. Gaps and errors cannot be excluded. Use CARFAX in combination with a test drive and inspection by experts. We process personal data only in accordance with applicable regulations. Conclusions on owners are not possible at any time.
